 Ordered Dec 11

All inside metal pipes of fine spotted metal
 to 24 feet. lower octaves in zinc.
 Casing of simple character stained & varnished
 with speaking pipes in front slightly
 decorated and the whole especially constructed
 for a warm climate.

The instrument securely packed in stout
 zinc lined cases & conveyed to dock
 for shipment to Sydney, also Organist's
 bench of hardwood to span pedals with
 necessary feet cast.

The Church which the Organ is intended
 is of a Gothic design, having a gallery
 all round, one end of which is occupied
 by the choir. Net cash on £400.
