

HILL & SON ESTIMATE BOOK 1 (April 1838 - December 1861).

Notes

- Pagination** is continuous, pp. 1-392, followed by 4 unnumbered pages. The pages are numbered singly 1-370, and then in pairs (openings) 371-end (the two sides of an opening are indicated in the table below as "a" and "b")
- Estimates/Entries** are numbered within each year (given after the year in the table below).
- Job numbers** were added after the initial entries had been made, though not in all instances. These are shown in square brackets where they have been added here editorially.
